- ❖ Create a professional, healthy, hospitable and nurturing environment that reinforces the respect we hold for you the client, and
- ❖ Make each visit a rewarding, relaxing, positive experience that you will want to repeat and share

Basic Facial Treatments

These wonderful facials promote clear and healthy skin for women, men and teens.

Universal Cleansing Facial

For all skin types
\$80

The building blocks of healthy, well-balanced skin begin with the traditional European facial for women, men and teens. This facial will purify and rejuvenate any skin type. Enjoy a complete skin analysis, steam therapy with an enzymatic peel to ease the removal of skin impurities, relaxing massage and customized mask with specially selected and formulated products. ⌚ 1 hour 15 minutes

Resolution Facial

For oily, congested, acne-prone skin
\$80-\$100

Problematic skin needs special attention and professional guidance through its complex transition time. This deep pore-cleaning facial for pre-teen and adult problem skin, focuses on excessive oil secretion and acne. Using a variety of therapeutic treatment products we can help manage, purify and control acne while calming the skin and making it glow. ⌚ 1 hour 15 minutes

Sensitive Skin Facial

For irritated or sensitive skin.
\$90-\$100

This rejuvenating treatment is designed to soothe, nourish, strengthen and protect sensitive skin. It will reduce redness and irritation and will produce an immediate feeling of relief and comfort. ⌚ 1 hour 15 minutes

Deep Pore Cleansing Back Facial

For a trouble spots on the back and neck.
\$80-\$90

A treatment specifically designed to address hard to reach areas that will purify the overall complexion. Includes a Multizyme Peel or Salicylic Resurfacing Peel, extractions, massage and a customized mask for clear polished skin. ⌚ 1 hour 15 minutes

Alpha-Hydroxy Facial

For congested or dehydrated skin
\$95

This facial treatment utilizes either Glycolic Acid or Lactic Acid to create a radiant glow. According to the type of skin and the existing circumstances and conditions, this process addresses oily, congested, dry or dehydrated skin. ⌚ 1 hour 15 minutes

Glycolic Acid Peel

\$60

This light peel improves skin texture and appearance. ⌚ 30 minutes

Salicylic Acid Peel

\$130

For a deeper exfoliation, this facial is designed for skin that is oily and congested. The treatment reveals a cleaner and more rejuvenated complexion. ⌚ 30 minutes

Microdermabrasion

\$130

This facial technique is performed with a jet of fine mineral crystals. These crystals are vacuumed across the skin to remove the dead and damaged skin cells and to stimulate the collagen beneath the surface of the skin to create a healthy glow. ⌚ 45 minutes (Series of 3 for \$330 for face and neck, any additional area - add \$50)

Deep Exfoliating Treatments

These treatments reach deep into the tissue to address discoloration, acne scarring, fine lines and sun-damaged skin.

PCA Peels

\$200

These patented and proven light-to-medium depth peel formulas effectively exfoliate, bleach and inhibit pigment production. These peels help to repair and reduce breakouts, control oil, soften lines and provide a more even, smooth skin texture. A consultation will determine the PCA peel best suited to your skin. ⌚ 45 minutes to 1 hour

Jessner's Chemical Peel

\$400

Chemical peels with Resorcinol, Lactic Acid and Salicylic Acid are designed to remove superficial layers of the skin. They are used to help dry out active acne, dislodge blackheads, help reduce shallow wrinkling and scarring, lighten hyperpigmentation (dark spots on the skin) and improve the appearance and health of sun-damaged, acne-prone and aging skin. ⌚ 1 hour 30 minutes

Bufflight Laser Thermal Facial

\$250

This light laser treatment offers immediate and long-term results by minimizing fine lines and skin discoloration. It is relatively painless, incredibly safe and basically a lunchtime procedure at a reasonable price. (Series of 5 for \$1000)

anti-aging

Signature Anti-Aging Treatments

Try any of these revitalizing treatments and turn back time.

Bio-electric Rejuvenation

\$85

As we age, facial muscles atrophy and lose their tone and elasticity which results in sagging and wrinkling. Facial toning uses low current electricity to help restore muscle tone, fitness, elasticity and suppleness. This painless, but very relaxing procedure, increases circulation, minimizes wrinkles and gives the results of a "natural facelift". This treatment is recommended for women and men who prefer an alternative, less complicated, less costly and more conservative approach to a youthful face and neck. (Series of 10 for \$700.00)

Antioxidant Vitamin "C" Facial

\$100

A remarkable anti-aging, corrective, preventative and regenerative treatment, this facial delivers a super dose of vitamin C and minerals. ⌚ 1 hour 15 minutes

Thermal Ice Mask

\$110

This is the most effective way to increase circulation, achieve deep hydration and create refreshed pores for a radiant and stunning complexion.

Visage Micro-Ablation

Neck	\$150
Chest	\$80
Hands	\$50

This system is the newest, gentlest, most effective method of hydrating, toning, tightening, evening of skin tone and improving fine lines. It is highly anti-bacterial which makes it an ideal treatment for acne and Rosacea as well. Micro-Ablation is a controlled, low-heat driven process which combines a bipolar radiofrequency with a natural saline solution to provide superior results compared to Microdermabrasion without the trauma or irritation to the skin. ⌚ 30 minutes (Series of 10 for \$1300.00 for face and neck)

Echo2 Oxygen Treatment

\$85

This unique treatment uses oxygen with 87 different vitamins and minerals, and also enzymes to intensively nourish the skin at the cellular level.

⌚ 45 minutes

Lift Defense 2

\$140

This anti-aging skin care treatment enhances elasticity as it tones, firms and lifts the skin for the reduced appearance of wrinkles.

⌚ 1 hour 30 minutes

Collagen Treatment

\$130

This intense treatment restores tissue cohesion and improves the elasticity, moisture and structure of the skin. ⌚ 1 hour 30 minutes

Live Cell Therapy

\$150

Plant extracts and milk protein combine to smooth the top layer of skin and help in regeneration by improving structure and elasticity. This is an excellent treatment for mature and sun-damaged skin in need of nutrients. ⌚ 1 hour 30 minutes

Recovery Facial With Sonic Therapy

\$70

Sonic is a professional treatment utilizing ultrasonic technology. This system allows ultrasound waves to enhance the delivery of topically applied skin care products. We can now drive various active ingredients, such as vitamin C, collagen, and elastin even deeper into the dermal layer of the skin for amazing results.

⌚ 45 minutes (With facial, \$125)

Wrinkle Free, Botu-like Treatment

\$130

This unique facial treatment helps prevent fine lines induced by repeated facial movements and it does so without the loss of expression. It increases collagen and elastin production and helps prevent premature aging.

⌚ 1 hour 15 minutes

Epicuren Facial

\$130

This three layer treatment includes a deep heating exfoliating peel followed by two enzyme masks for firmness, lifting and hydration. This treatment provides a unique experience as you feel the pleasant pulsating and tightening sensation as enzymes, protein and plant collagen penetrate deep into the skin. ⌚ 1 hour 30 minutes

Spa Body Treatments

Journey to a new you with a variety of refreshing body treatments designed with your needs in mind.

Therapeutic Massage

\$80

This deep tissue massage with the Swedish relaxation technique helps release tension & reduce pain.

Dermosonic Cellulite Therapy

\$80

Dermosonic combines two medically proven synergistic modalities, ultrasound and Non-Invasive Sub Dermal Therapy (N.I.S.T), for exceptional cellulite reduction, localized fat reduction, body contouring and skin smoothing. *(Prices range according to individually designed programs)*

Body Contouring with Electronic Muscles Stimulation

\$60

Experience instant inch loss, even after the first twenty minute session. This complete treatment consists of full body toning or spot treatment, full body slimming, bust and buttock lifting and firming, and synchronized lymphatic drainage to remove excess fluids and toxins.

Alpha 2010 Spa Session & Shirodhara System

\$60

This Alpha 2010 Spa Session & Shirodhara treatment uses warmed aromatic oil which is poured gently onto your forehead, the 3rd eye, soothing the senses and the soul as you luxuriate in the soothing heat of the spa. Your body is rejuvenated by the powerful cleansing properties of heat. Ask us about other services that can be added to this ancient retreat.

Aromatherapy Body Polishing & De-stress Oil Body Wrap

\$80

This exfoliation and moisture treatment will leave the body smooth and your senses soothed.

Lavender, eucalyptus, rosemary, fennel or sage – let us wrap you in your favorite scent while the aroma oils detoxify, relax, energize and re-hydrate and give the overall feeling of being healed and new.

Anti-Age Renewal Treatment & Alpha 2010 Spa Session

\$85

This treatment for the face and body brings life back to dry, dehydrated and sagging skin by stimulating collagen and elastin production and intensely hydrating and rejuvenating dull skin. Active ingredients help reduce fine lines and wrinkles while speeding up the regeneration process to leave skin looking refined, firmed and glowing. (Session of 6 treatments for \$460)

Full Body Sea Detox Mask & Alpha 2010 Spa Session

\$95

A full-body sea detox mask and an Alpha 2010 Spa session, this full body skin toning and smoothing treatment combines a relaxing escape that will leave you feeling like you've been seaside even if you're land-locked. Relax, renew and glow. (Session of 6 treatments for \$520)

Full Body Tango Parafango Cellulite Reduction Wrap & Alpha 2010 Spa Session

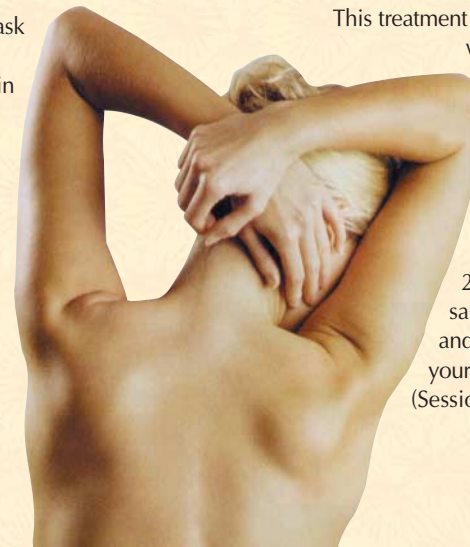

\$100

This treatment will indulge your body and spoil your skin with a nutrient rich combination of the finest mud from ancient sea beds and pure paraffin wax. The mud and the paraffin stimulate lymphatic flow, sealing in organic nutrients and drawing out toxins leaving your body re-mineralized and contoured. Heat, aroma and massage therapy is added to these ingredients for deep penetration and a nurturing experience.

Swedish Miracle Wrap & Alpha 2010 Spa Session

\$110

This treatment captures the ancient art of pressure wrapping and masking using the finest natural products available to tighten, contour and detoxify your body while amino nutrients nourish and moisturize your skin. Experience instant results with a total inch loss between 6" and 20" with just one wrap. Relax in our luxurious Alpha 2010 Spa System with a dry heat sauna, vibratory massage, and aroma and sound therapies to further enhance your experience and reveal a new you. (Session of 6 treatments for \$600)
